

UK Headquarters

Kingswood Lakeside, WS11 8JD

Sustaining
Tomorrow

TES would like to announce the opening of our new facility, in the heart of the West Midlands. We are excited to share with you more information on our new location, and the benefits we believe this facility will provide to you, our loyal customers.

127,000 square feet

Convenient access to several arterial roads

Accredited

Sustainability, your 1st choice partner

Why are you moving?

A strong period of organic growth and company acquisitions – gave rise to the need for a larger facility. This also presented the opportunity to consolidate several smaller facilities, into our new purpose built state-of-the-art headquarters.

From this individual UK infrastructure, we will be able to offer our full suite of services: including Managed Deployment Services (MDS), IT Asset Disposition (ITAD) and Consumer Solution products (mobile, gaming, tablets) under one roof.

What does this mean for you - our valued customer?

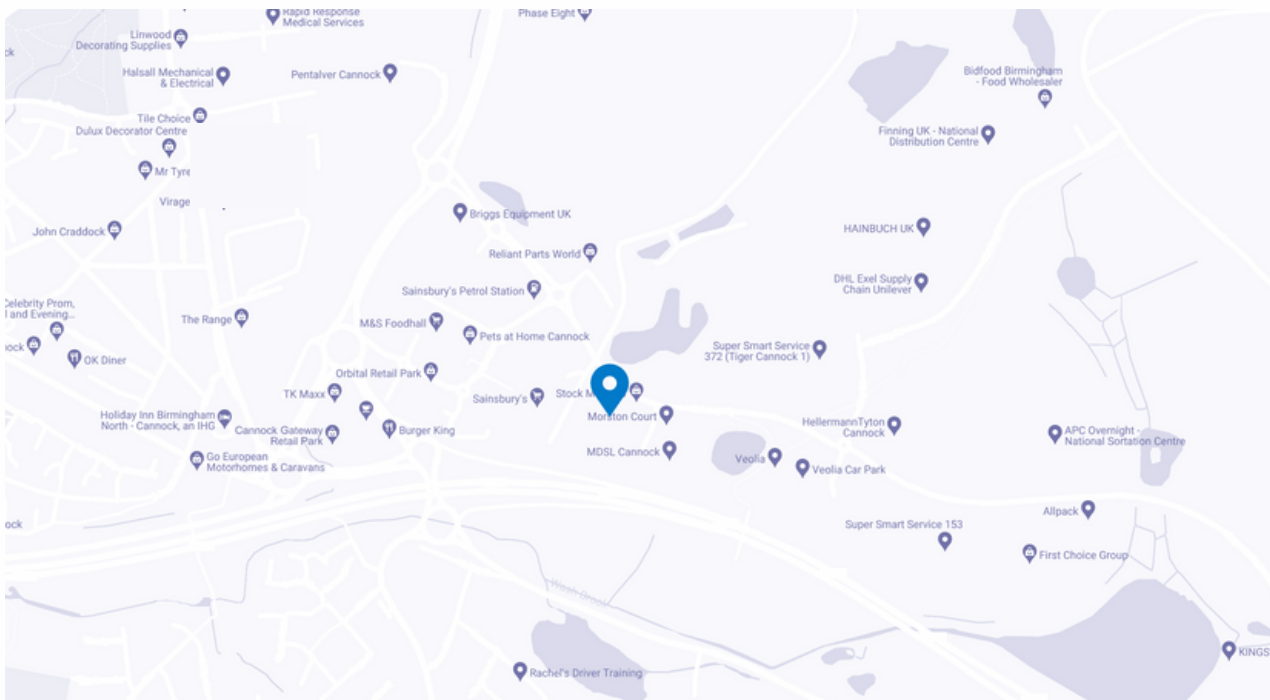

Our new location and facility will provide you with seamless and enhanced solutions across deployment, decommissioning, asset disposition services, and recycling.

Our teams will be centrally located to process across the spectrum of electronics - mobile, consumer, business, corporate, and enterprise.

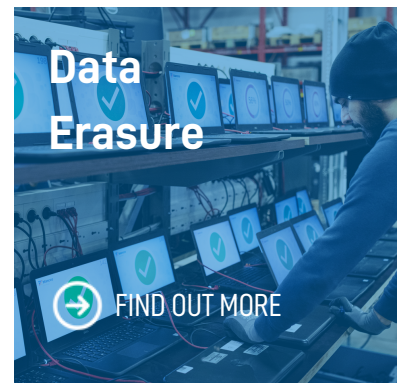

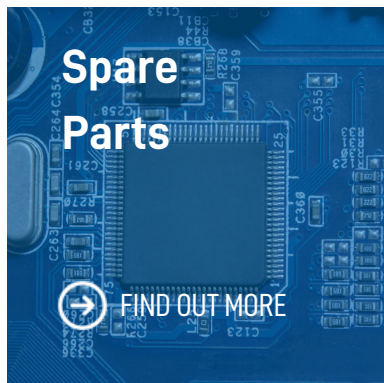

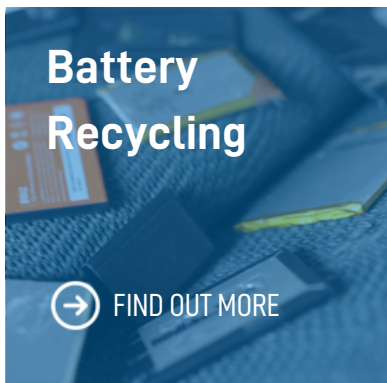

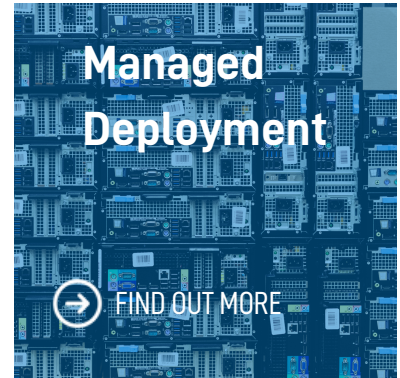

How to find us

Our address: 102 Blakeney Way, Kingswood Lakeside, Cannock, WS11 8JD
